The Wheatfield Business Association awarded scholarships at its May 16 meeting to Holly Zuch, Adam Donner and Jonathon C. Wilson. The WBA scholarships are opened to any graduating high school senior currently a resident in Wheatfield.

The recipients and their families were invited to attend the ceremony and have dinner in the Wheatfield Community Center.

Zuch is a Starpoint senior planning on attending Niagara County Community College, then transferring to SUNY

College at Buffalo.

Donner is a Niagara-Wheatfield senior planning on attending Canisius College for accounting or criminal justice.

Wilson is a Starpoint senior planning on attending the Rochester Institute of Technology.

The Wheatfield Business Association scholarship committee, Rob Allen, MJ Brzezowski, Doreen Stumpo and Danny Maerten, would like to thank all the students applying for the scholarship. The choices were not simple, easy decisions, they said.
