WBA holds raffle to benefit scholarships

NIAGARA - WHEATFIELD
TRIBUNE

DECEMBER 8, 2011

The Wheatfield Business Association held its first meat raffle at St. Johnsburg Firehall on Nov. 5. The net proceeds went directly into the WBA scholarship account. Thanks to the more than 215 patrons, nearly \$2,000 was raised and will be awarded to Wheatfield high school graduates. A truckload of fresh meat from Sloan Meat Market, including steaks roasts, sausages, turkeys, beef and pork, were given away during the 15 individual raffles. Winning numbers were determined by the spinning of the gaming wheel. WBA's Rob Allen was the master of ceremonies, with Carol Allen presenting the items to be raffled (shown). (photo by Danny Maerten)
